MERREGNON: LAND OF SILENCE

Performed with delightful music, narration, and illustrations, *Merregnon: Land of Silence* presents the wonder of a symphony to a broad audience, with a special focus on younger people, families, and video game fans. Featuring original music by internationally-renowned composer Yoko Shimomura (famous for her work on *Kingdom Hearts* and *Final Fantasy XV*), and a story by popular German children's author Frauke Angel, *Merregnon: Land of Silence* tells of orphan Miru who, along with her childhood friend Hikito and faithful dog Mako, set out on an unforgettable adventure to discover what ails the mysteriously, silent land of Merregnon. Come and experience the musical adventures on this magical journey with the HK Phil!
